

Rule 28

Vessels Constrained by their Draft

A large cruise ship is sailing under a bridge. In the foreground, there are several smaller boats, including a sailboat and a motorboat. The water is blue and the sky is overcast. The text is overlaid on the image in white, bold font.

A vessel constrained by her draft may, in addition to the lights prescribed for power-driven vessels in Rule 23, exhibit where they can best be seen three all-round red lights in a vertical line, or a cylinder.
